

## **Warehouse Manager - Europe**

Fosbel GmbH is looking for a Warehouse Manager at our Mönchengladbach, Germany location to lead our warehouse team, coordinate shipping and receiving, manage inventory, and provide ongoing support to our glass and coke operations business units.

We are looking for candidates who demonstrate initiative, have a strong work ethic and can work in a team setting to ensure our customers and employees receive outstanding service. Qualified candidates will have vocational school certificate as a technician or master or have equivalent industry experience, preferably in the glass or coke industries. The ability to work in a multicultural/multinational company and read/speak English is required. Previous experience of 5 years in warehousing and stock control is preferred. Previous supervisor or management level experience is required. Must also be able to create and modify documents in Word, Excel and have previous experience working with an ERP system and/or inventory control system.

Candidates interested in joining our outstanding Warehouse Team should have a professional and customer service demeanor, be comfortable working in a fast-paced environment and capable of multi-tasking, while maintaining quality, accuracy and safety standards. Availability to work day shift M-F, along with occasional overtime as workload dictates.

Pay is competitive with a desirable benefits package. If interested, please send your CV to [Fosbel.HR@fosbel.com](mailto:Fosbel.HR@fosbel.com).
